

The Tribute Footprints are part of the Mosaic on the Ash staircase at Marine Drive and Ash Street in White Rock – East Beach.

Created by the Semiahmoo Mosaic Workshop Society in partnership with the White Rock South Surrey Community Foundation, this mosaic includes bronze footprints that “walk” up and down the stairs.

You can dedicate one or more Tribute Footprints to honour a loved one, friend or colleague. This is a beautiful way of making an “In-Memory” gift to pay tribute to someone special or an “In-Honour” gift to acknowledge a special occasion such as a birthday, birth of a child, anniversary or retirement.

>> One of the original tribute footprints. It will be removed, polished and inset into the stairs during the renewal project.

Each Tribute Footprint message has a maximum of 35 characters including spaces. Your requested message is engraved onto a

footprint that is placed in pairs and secured on the top of a stair. The bronze footprints will naturally age and change colour. If you’d like your footprint polished, you’re welcome to do so.

Funds raised from the sales of Tribute Footprints will help to build the Community Fund administered by the White Rock South Surrey Community Foundation, which provides grant funding to a broad network of local charities. We are proud to partner with the City of White Rock in this important community project.
