

## **White Rock South Surrey Community Foundation 2008 - Applicant Funding Criteria**

### ***Information for applicants:***

- 1) All applicants requesting funding from the White Rock South Surrey Community Foundation (WRSSC Foundation) will require to complete an application form, and such forms must be received by the Foundation by the advertised deadline.
- 2) All funding requests must reflect either a specific capital request, or a training request, and the basis for the application must be outlined clearly for the Grant Funding Committee to review. It is wise to consider that the primary purposes of the WRSSC Foundation are to focus on the areas of health, education, arts, and cultural activities, and enhance the quality of life within the local community. The Foundation will NOT consider funding of ongoing operational expenses for any organization.
- 3) First consideration for grant funding will be given to those applicants who are a registered Canadian charity with Canada Revenue Agency (CRA).
- 4) Grant decisions will be based on the direct benefit demonstrated to the White Rock South Surrey community (specifically that area bounded on the north by 40<sup>th</sup> Avenue, on the east by 196<sup>th</sup> Street, on the south by the Canadian/US border, and on the west by Mud Bay).
- 5) Grants will be awarded by the White Rock South Surrey Community Foundation twice yearly, (April & September), although each applicant may receive an award only once in a year.
- 6) Grant recipients will be required to report to the White Rock South Surrey Community Foundation Board of Directors, the manner in which the funds were used to benefit the organization and community. This will be done in the form of a letter, within six months of receiving the grant funding. If applicants fail to submit a report, they will be ineligible for funding by the White Rock South Surrey Community Foundation.
- 7) Grant funds are available to be requested by successful grant applicants for a period of up to one year from the notification letter of approval date. Any grant funds not claimed by successful applicants after a period of one year are deemed no longer available to the grant recipient.
- 8) All grant funding will be designated at the sole discretion of the White Rock South Surrey Community Foundation Board of Directors, and completion of an application does not guarantee grant funding approval for any specific project or group.
- 9) Completed Applications should be mailed to:
